

**Nagasaki University Graduate School of Biomedical Sciences**  
**Doctoral Course (Four Years)**  
**Application Information**

**1. Departments and numbers of accepted students**

Department		Number of applicants being accepted for Autumn 2022	Note
Department of Medical and Dental Sciences		4	The number includes Nagasaki University Post Graduate Students.
Department of Infection Research	Program for Nurturing Global Leaders in Tropical and Emerging Communicable Diseases	2	
	Standard course	2	In case there will be vacancies in Spring, the number will be added.
Department of Life Sciences and Radiation Research		1	
Division of Advanced Preventive Medical Sciences		1	

※ Division of Advanced Preventive Medical Sciences is a cooperative major (Doctoral Course) consisting of curriculum that Nagasaki University, Chiba University and Kanazawa University jointly provide. Those who complete this course will be granted doctoral degree in the joint name of these three universities.

※ Students who will have completed master courses at Nagasaki University by September 2022 and wish to progress to Nagasaki University Graduate School of Biomedical Sciences (Doctoral Course) should apply using “Application Information for Nagasaki University Post Graduate Students” from page 9.

**2. Qualifications for application**

Persons who meet the qualifications in any one of the following categories may apply for admission. Non-students working in Japan must be employed at the time of entrance. Also applicants who do not have Japanese nationality (except those with a permanent resident in Japan) and meet one of the following qualifications may apply for admission.

- (1) Applicants who are Japanese university graduates (from a course in medicine, dentistry, a six-year course in pharmaceutical science or veterinary medicine course) or are expected to graduate by September 2022.
- (2) Applicants who have completed 18 years of education within overseas educational institutions (the final course having been medicine, dentistry, pharmaceutical sciences or veterinary medicine), or are expected to complete those courses by September 2022.
- (3) Applicants who have completed 18 years of correspondence courses in Japan offered by an overseas university, (the final course having been medicine, dentistry, pharmaceutical sciences or veterinary medicine), or are expected to complete those courses by September 2022.
- (4) Applicants who have completed 18 years of education in courses in Japan offered by an overseas educational institution and completed additional courses specified by the Minister of Education, Culture, Sports, Science and Technology, or are expected to complete those courses by September 2022.
- (5) Applicants who have a degree equivalent to bachelor degree or are expected to be conferred by September 2022 by completing a course (from a course in medicine, dentistry, pharmaceutical science or veterinary medicine course) (\*1) of more than 5 years at overseas universities or educational institutions (\*2).

\*1: completing corresponding course in Japan by the said overseas educational institutions or completing course at educational institutions authorized as educational institutions by the said countries and designated in the preceding item

\*2: overseas universities or educational institutions which are evaluated by those whom are approved by the said country’s government or government’s related institutions or which are designated by the Minister of Education, Culture, Sports, Science and Technology of Japanese Government

- (6) Applicants designated by the Minister of Education, Culture, Sports, Science and Technology (Ministry of Education Report No. 39, 1955).
  - a Graduates of the department of medicine or dentistry under the old University Ordinance. (Imperial Ordinance 388, 1918)
  - b Graduates of the National Defense Medical College based on the Defense Agency Establishment Act. (Act no. 164, 1954)

- c Applicants awarded a Master’s degree.
  - d Applicants who have or had been engaged in a doctoral course at least two years, and have acquired more than 30 credits, and who are considered as having an equivalent academic ability to graduates in medicine, dentistry, pharmaceutical sciences or veterinary medicine. (Required to submit documents nos. (1), (2), (3), (4), (5), (6), (9) and (10); see section 3. Pre-evaluation of applicant qualifications.)
  - e Applicants who have graduated from a domestic university (other than courses in medicine, dentistry, a six-year pharmaceutical sciences or veterinary medicine course), or who have completed a 16 year course of education overseas, in addition to having been engaged in research at a university or a research organization for at least two years post graduate and with research results equal or superior to those of medicine, dentistry, pharmaceutical science or veterinary medicine graduates. (Required to submit documents nos. (1), (2), (3), (4), (5), (6), (9) and (10); see section 3. Pre-evaluation of applicant qualifications.)
- (7) Applicants who have already entered other graduate schools according to Article 102 section 2 of the School Education Act, and who are considered as having appropriate academic abilities to be educated at the graduate school level. (Required to submit documents nos. (1), (3), (7), (8), (9) and (10); see section 3. Pre-evaluation of applicant qualifications.)
  - (8) Applicants over 24 years of age by September 30, 2022 and by the pre-evaluation results that have shown that they have academic abilities equivalent or superior to the graduates of medicine, dentistry, a six-year pharmaceutical science or veterinary medicine course. (Required to submit documents nos. (1), (2), (3), (4), (5), (6), (9) and (10); see the section of 3. Pre-evaluation of applicant qualifications.)
  - (9) Applicants who are enrolled at a domestic university (a department of medicine, dentistry, a six-year pharmaceutical sciences or veterinary medicine course) for at least four years, or who have completed or are scheduled to complete a 16-year course of education overseas (medicine, dentistry, pharmaceutical science or veterinary medicine only), with excellent scores by September 2022. (Required to submit documents nos. (1), (3), (7), (8), (9) and (10); see the section 3. Pre-evaluation of applicant qualifications.)

### 3. Pre-evaluation of applicant qualifications

Applicants who meet the qualification listed in (6), d. or e., (7), (8) or (9) should submit required documents for the pre-evaluation. Applicants who are deemed qualified will be able to apply for the admission examination. Pre-evaluation of applicant qualifications is primarily done with the submitted documents, though some cases may involve an interview. If an interview is needed, notification will be sent directly to the applicants.

- (1) Deadline for documents submission for pre-evaluation of applicant qualifications:  
**Friday, June 3, 2022 at 5:00 PM**
- (2) Mailing address for documents submission:  
Nagasaki University Biomedical Sciences of Administration Department, Student Affairs Division, Graduate School section  
1-12-4 Sakamoto, Nagasaki 852-8523, Japan
- (3) Results of the pre-application review will be sent directly to the applicants before the admission application period.
- (4) Documents to be submitted:  
The application manual is available at the Students Affairs office and by mail. Please use the forms provided in the manual.

Document required	Description	Form No.
(1) Pre-evaluate application	Use the prescribed application form	(a)
(2) Certificate of graduation or Certificate of expected graduation	Provide official verification from undergraduate and graduate school which you graduated or are to graduate. It should be issued by the president or dean. As for the educational institutions other than university such as junior college, it should be issued by the principal of the institutions you graduated or are to graduate most recently or are to graduate.	
(3) Academic transcripts	Provide transcripts officially verified by undergraduate and graduate school which you graduated. It should be issued by the president or dean. It is preferable to be sealed by institutes if possible. As for the educational institutions other than university such as junior college, it should be issued by the principal of the institutions you graduated most recently.	
(4) Research Achievement report	Use the prescribed form. Attach copies of published research papers, if you have any.	(b)

(5) Academic research outline	Use the prescribed form. Provide outline of the published academic papers, research reports and presentations at academic conferences in which you have participated in. (Applicants with a MA should attach their thesis and abstract.)	(c)
(6) Verification of research and work experience history	Use the prescribed form. Provide an official verification related to your work history mentioned in (5) academic research outline.	(d)
(7) Certificate of school registration or enrollment	Provide the certificate officially verified by the university you are currently enrolled in.	
(8) Course outline for major	Attach a copy of the curriculum or syllabus of your current major.	
(9) Proof of residence in Japan (Non-Japanese Applicants only)	Submit a photocopy of your residence card, entry permit (Visa), and your passport.	
(10) Self-addressed stamped envelope for your pre-evaluation results	i ) Applicants living in Japan; Attach the postage stamps equivalent to 374 yen (for express delivery) to a type 3 (long) envelope which is enclosed in the last page of the application manual with your name, address and postal code. ii ) Applicants living outside Japan should talk with their supervisor.	

(Note)

- Any certificates / diplomas to be submitted should be written in English or Japanese. If they are written in other than English or Japanese, please attach English or Japanese translation issued by official institute.
- If you are unable to provide original certificate, submit a photocopy of the original certificate together with statement of reasons (written explanation of reasons why you are unable to provide). (Any format is acceptable.)

#### 4. Application procedures

- (1) Application period:  
**From Monday, June 20 to Friday, June 24, 2022 at 5:00 PM** (Documents must arrive within that period.)
- (2) Mailing address for document submission:  
Nagasaki University Biomedical Sciences Administration Department, Student Affairs Division, Graduate School section  
1-12-4 Sakamoto, Nagasaki 852-8523, Japan
- (3) Applicants may apply for two different research departments at one time, however, they cannot choose the Program for Nurturing Global Leaders in Tropical and Emerging Communicable Diseases or Division of Advanced Preventive Medical Sciences as their 2<sup>nd</sup> choices.
- (4) **Applicants must interview with their future supervising professor(s) before submitting their application and obtain the professor's signature or seal on their application.**  
<Notes for applicants to medical courses>  
If applicants wish to enroll in clinical research courses, a medical license might be required. Please consult with your future supervising professor about your application.
- (5) Application documents:  
Applicants must submit all the following documents within the designated period. The application manual is available at the Students Affairs Division and by mail. Please use the forms provided in the manual.

Documents required	Description	Form No.
Application form	Use the prescribed application form	(e)
Photograph and Admission examination ticket document	The photograph should include the upper half of the body, without a hat, facing forwards, and should have been taken within three months of application (H 4cm x W 3cm).	(f)
Certificate of graduation, or Certificate of expected graduation	Provide official verification from undergraduate and graduate school which you graduated or are to graduate. It should be issued by the president or dean. As for the educational institutions other than university such as junior college, it should be issued by the principal of the institutions you graduated most recently or are to graduate. Applicants who have already submitted these documents for the pre-evaluation are not required to submit them again.	

Academic transcripts	<p>Provide transcripts officially verified by the undergraduate and graduate school which you graduated. It should be issued by the president or dean. It is preferable to be sealed by institutes if possible. As for the educational institutions other than university such as junior college, it should be issued by the principal of the institutions you graduated or are to graduate most recently.</p> <p>Applicants who have already submitted these documents for the pre-evaluation are not required to submit them again.</p>	
Statement of reasons and goals for research	Use the prescribed form. Provide reasons for applying, details of previous research to date and research goals or plans after entering the graduate school.	(g)
Examination Fee	<p>30,000 yen should be transferred between <b>Friday, June 3 and Friday, June 24, 2022.</b></p> <ol style="list-style-type: none"> <li>i. The examination fee is non-refundable. However, it will be exceptionally refunded when the application documents are not submitted or not accepted after the examination fee has been paid. Applicants must contact the following office within 14 days from the last day of application period for refund. Handling fees for refund shall be owed by the applicants.          ※Contact:          Finance Department, Accounting and Procurement Division,          Nagasaki University          Telephone: +81-95-819-2060</li> <li>ii. Payment must be made via bank or post office.</li> <li>iii. The prescribed transfer form should be used for payment. Payment by using ATM is not accepted.</li> <li>iv. Any shortage of the payment is not accepted. All bank charges must be paid by applicant.</li> <li>v. “Proof of Examination Fee Payment” form must have a receipt stamp at the bank counter. Applications without this stamp will not be accepted. If you make bank transfer outside of Japan, a scanned copy of the payment certificate should be sent by email and the original certificate should be enclosed in your application package.</li> <li>vi. Overseas students on Japanese government (Monbukagakusho: MEXT) scholarship are not required to pay the fee.</li> </ol> <p>&lt;Bank information&gt;          Name of the bank: THE JUHACHI-SHINWA BANK, LTD          Branch: OHASHI BRANCH          Address of the bank: 8-28 Ohashi-machi, Nagasaki-City, Nagasaki 852-8134, JAPAN          Account number: 191-01-226702          Account holder: Nagasaki University          SWIFT CODE (Mandatory ): SHWAJPJT          Purpose of Remittance: Examination Fee          Message to payee: Following should be mentioned in the “Message to payee”;</p> <ol style="list-style-type: none"> <li>(1) Your name</li> <li>(2) Nationality</li> <li>(3) Name of the department you will apply for:</li> </ol> <p>For applicants who have been affected by 2020 July floods, The typhoon No.19, 2019, The earthquakes in the eastern part of Ibaraki, Hokkaido, The heavy rainfall in July 2018, 2016 Kumamoto Earthquake or The 2011 Great East Japan Earthquake, payment exemption of application fee may be made as special measures in case Nagasaki University approves. Please contact Student Affairs Division,</p>	The prescribed transfer form is attached in the application manual in Japanese. (It is only for bank transfer in Japan.)

	Graduate School Section (TEL 095-819-7009). For details, please refer to the following site: (Written in only Japanese) <a href="https://www.nagasaki-u.ac.jp/nyugaku/support/#01">https://www.nagasaki-u.ac.jp/nyugaku/support/#01</a>	
Examination Fee Proof of Payment Document	Attach the “Proof of Examination Fee Payment” on the “Proof of Examination Fee Document”. Overseas students on Japanese government (Monbukagakusho: MEXT) scholarship are not required to pay the fee.	(f)
Approval of examination/attendance (for non-students working in Japan only)	Applicants currently employed should submit the approval of the director of their organization.	(i)
Proof of residence in Japan (Non-Japanese Applicants only)	Submit a photocopy of your residence card, entry permit (Visa), and your passport.	
Return envelope for admission ticket (Applicants living in Japan only)	I. Applicants living in Japan; Write your name, address and postcode on the small envelope (H 23.5 cm x W 12 cm) and attach the postage stamps equivalent to 84 yen to it. II. Applicants living outside Japan should talk with their future supervisor.	
Address sticker	Write your name, address and postal code in Japan. If your address has been changed after the application, please notify the office of Student Affairs Division.	(h)

(Note)

- Any certificates / diplomas to be submitted should be written in English or Japanese. If they are written in other than English or Japanese, please attach English or Japanese translation issued by official institute.
- If you are unable to provide original certificate, submit a photocopy of the original certificate together with statement of reasons (written explanation of reasons why you are unable to provide). (Any format is acceptable.)

## 5. Orientation for admission examination

Orientation for admission examination will be conducted as follows.

### The attendance is mandatory.

The orientation will be conducted by using web conference system ‘Zoom’

The detailed information such as Zoom meeting ID will be sent to applicant’s email address which they provide us on the application document after the application period.

### Please make sure to prepare the same internet connection, equipment and room as the actual examination to attend the orientation.

- (1) Standard and Non-standard Applicants  
Date and Time: Tuesday, July 5, 2022 at 7:00 PM, JST (About 1 hour)
- (2) International Applicants  
Date and Time: Tuesday, July 5, 2022 at 3:00 PM, JST (About 1 hour)
- (3) Necessary Items:
  - ① Room where the internet is available (Cable connection is preferable)
  - ② PC or tablet which a camera and microphone are equipped with (11 inch or larger screen recommended)
  - ③ Scanner
  - ④ Digital camera (a smartphone and iPhone equipped with a camera is acceptable. However, make sure to use different device than ②.)

## 6. Examination Outline

- (1) Examination schedule and venue  
**Date and time: Tuesday, July 12, 2022**  
**Venue: Examination will be conducted by using web conference ‘Zoom’.**
- (2) Examination procedure  
Students will be selected based on their submitted documents and testing results. The minimum score for entrance is 60%. The applicants applying for two different research departments will be screened for their 1st choice based on the criteria for the 1st choice as below. If they are rejected, they will be screened based on the criteria for their 2nd choice. The applicants must take all the required academic testing for each department they are applying for. However, there is a possibility that Academic testing II will not be given or will be excluded from the score allocation due to the COVID-19 outbreak. Also another admission examination method may be

applied due to the COVID-19 outbreak. If they miss any of the required tests for the departments they are applying for both either their 1<sup>st</sup> and 2<sup>nd</sup> choice, they will be rejected.

<Score allocation>

Department	*Screening of submitted documents	Academic testing I	Academic testing II	Total
Department of Medical and Dental Sciences Department of Infection Research (Standard course) Department of Life Sciences and Radiation Research	100	300	/	400
Department of Infection Research (Program for Nurturing Global Leaders in Tropical and Emerging Communicable Diseases)	100	300	100	500
Division of Advanced Preventive Medical Sciences	100	300	100	500

A) The screening will be based on the “undergraduate and graduate academic transcripts” and the “statement of reasons and goals for research”.

B) Academic testing I schedule

Applicant's category	Testing time/venue		Test subject	Note
Standard	3:00 PM ~ 5:00 PM	Room prepared by each applicant	English	May use language dictionaries (i.e.English-Japanese,Japanese-English, English-English etc.) 1.Electronic dictionaries are not permitted. 2. Dictionaries with description of technical terms are not permitted.
Non-standard				
International Student				

1. Applicants must be in the specified examination venue 30 minutes before the beginning of the examination.
2. Applicants must bring their admission examination tickets provided by Nagasaki University Graduate School of Biomedical Sciences.

C) Academic testing II schedule

Department	Applicant's category	Testing time/venue		Test subject	Note
Department of Infection Research (Program for Nurturing Global Leaders in Tropical and Emerging Communicable Diseases)	Standard	6:00 PM ~	Room prepared by each applicant	Interview	Interview will be held in Japanese or English
	Non-standard				
	International Student				

Division of Advanced Preventive Medical Sciences	Standard	6:00 PM ~	Room prepared by each applicant	Interview	Interview will be held in Japanese or English
	Non-standard				
	International Student				

## 7. Announcement of the results

**Announcement date: Tuesday, August 16, 2022 at 10:00 AM**

The successful applicants' application numbers will be posted at the entrance of Nagasaki University Graduate School of Biomedical Sciences, as well as on the official website of Nagasaki University Graduate School of Biomedical Sciences and the Leading Program. (URL:<http://www.mdp.nagasaki-u.ac.jp/eng/index.html>) The successful applicants will also receive a letter of acceptance by post. No information will be given over the phone.

## 8. Procedures for enrollment

The successful applicants should start enrollment procedures as follows:

- (1) Enrollment procedures period / opening hours

**Monday, August 22 to Friday, August 26, 2022 at 5:00 PM**

- (2) Venue for enrollment procedures

Nagasaki University Biomedical Sciences Administration Department, Student Affairs Division, Graduate School section.

- (3) Required fees for enrollment procedures

Admission fee: 282,000 yen

Required to be bank transferred by using the designated bank transfer form in the Enrollment Procedures Handbook during the enrollment procedure period as above. Admission fees are non-refundable.

(Notes)

1. Tuition fee for 2022: 535,800 yen annually (267,900 yen per semester)
2. The period of tuition fee payment is in April and October.
3. If the amount of tuition fee is revised during the registration period, the revised amount will apply.
4. There is the system of admission fee and tuition fee exemption and payment postponement in Nagasaki University. For more details, please confirm it in the Enrollment Procedures Handbook.
5. Admission and tuition fees are not required for international students supported by Japanese government (Monbukagakusho: MEXT) scholarships.

## 9. Personal Data Protection Policy

- (1) Personal information provided in the application package will only be used for the selection process. The personal information of the successful applicants will be used in the admission process; thus, enrolled students' personal information will be used for registration.
- (2) Results of the entrance examination and other personal information in the application package will be used in the screening process for the scholarship, admission fee exemptions, tuition waivers, etc.
- (3) Personal information provided in the application package and entrance examination may be used for statistical surveys and research regarding admissions at the university.
- (4) Personal information provided in the application package and entrance examination, unless specified in Article 9 of the Act on the Protection of Personal Information Held by Independent Administrative Agencies, etc., will not be distributed to third parties or used for purposes other than those mentioned above.

## 10. Consultation for Applicants with Disabilities

Nagasaki University has Support Center for students and applicants with disabilities.

Applicants with disabilities that would require specific arrangements for the examination or for learning are required to contact Student Affairs Division before submitting the application. Applicants will never be negatively treated in the screening process by the results of an advance consultation. Applicants may be required to submit documents describing detail of arrangement. Without consultation beforehand, the applicants may not be allowed to ask for arrangement.

### **11. Security Export Control**

Nagasaki University regulates the export of goods and provision of technology subject to safety concerns, in accordance with the Foreign Exchange and Foreign Trade Act, so that the research and education for non-Japanese students do not impede international peace and safety; accordingly, prospective students should keep in mind that they may be requested to change the contents of research and education. For further inquiries, consult Student Affairs Division.

### **12. Notes and Cautions**

- (1) Incomplete or erroneous application documents will not be accepted.
- (2) Any corrections will not be accepted in application documents after their submission.
- (3) Submitted application documents are non-refundable with no exception.
- (4) Applicants who declare false information on their application documents will be withdrawn from their courses even after the semester has begun.

### **13. Contact details for inquiries regarding the admission examination**

Nagasaki University Biomedical Sciences Administration Department,  
Student Affairs Division, Graduate School section  
1-12-4 Sakamoto, Nagasaki 852-8523, Japan  
Tel. 095-819-7009 Email: dai\_med@ml.nagasaki-u.ac.jp

**Nagasaki University Graduate School of Biomedical Sciences**  
**Doctoral Course (Four Years)**  
**Application Information for Nagasaki University Post Graduate Students**

**1. Departments and numbers of accepted students**

Department		Number of applicants being accepted for Autumn 2022	Note
Department of Medical and Dental Sciences		4	The number includes applicants but Nagasaki University Post Graduate Students.  In case there will be vacancies in Spring, the number will be added.
Department of Infection Research	Program for Nurturing Global Leaders in Tropical and Emerging Communicable Diseases	2	
	Standard course	2	
Department of Life Sciences and Radiation Research		1	
Division of Advanced Preventive Medical Sciences		1	

※ Division of Advanced Preventive Medical Sciences is a cooperative major (Doctoral Course) consisting of curriculum that Nagasaki University, Chiba University and Kanazawa University jointly provide. Those who complete this course will be granted doctoral degree in the joint name of these three universities.

**2. Application Procedures**

Students who will have completed master courses at Nagasaki University by September 2022 and wish to progress to Nagasaki University Graduate School of Biomedical Sciences (Doctoral Course) should apply using the following procedure.

(1) Application period:

**From Monday, June 20 to Friday, June 24, 2022 at 5:00 PM** (Documents must arrive within that period.)

(2) Mailing address for document submission:

Nagasaki University Biomedical Sciences Administration Department, Student Affairs Division, Graduate School section  
 1-12-4 Sakamoto, Nagasaki 852-8523, Japan

(3) Applicants may apply for two different research departments at one time, however, they cannot choose the Program for Nurturing Global Leaders in Tropical and Emerging Communicable Diseases or Division of Advanced Preventive Medical Sciences as their 2<sup>nd</sup> choices.

**(4) Applicants must interview with their future supervising professor(s) before submitting their application and obtain professor's signature or seal on their application.**

(5) Application documents:

Applicants must submit all the following documents within the designated period. The application manual is available at the Students Affairs Division and by mail. Please use the forms provided in the manual.

Documents required	Description	Form No.
Application for advancement	Use the prescribed application form	(j)
Photograph and Admission examination ticket document	The photograph should include the upper half of the body, without a hat, facing forwards, and should have been taken within three months of application (H 4cm x W 3cm).	(f)
Certificate of expected completion	Provide official verification by dean of your graduate school.	
Academic transcripts	Provide undergraduate and graduate transcripts officially verified by the university which you graduated or are to graduate. It should be issued by the president or dean. It is preferable to be sealed by institutes if possible.	
Statement of reasons and goals for research	Use the prescribed form. Provide reasons for applying, details of previous research to date and research goals or plans after entering graduate school.	(g)

Proof of residence in Japan (Non-Japanese Applicants only)	Submit a photocopy of your residence card, entry permit (Visa), and your passport.	
Return envelope for admission ticket	Write your name, address and postcode on the small envelope (H 23.5 cm x W 12 cm) and attach the postage stamps equivalent to 84 yen to it.	
Address sticker	Write your name in Japan, address and postcode. If address has been changed after the application, please notify the office.	(h)

(Note)

- Any certificates / diplomas to be submitted should be written in English or Japanese. If they are written in other than English or Japanese, please attach English or Japanese translation issued by official institute.
- If you are unable to provide original certificate, submit a photocopy of the original certificate together with statement of reasons (written explanation of reasons why you are unable to provide). (Any format is acceptable.)

### 3. Orientation for admission examination

Orientation for admission examination will be conducted as follows.

**The attendance is mandatory.**

The orientation will be conducted by using web conference system ‘Zoom’

The detailed information such as Zoom meeting ID will be sent to applicant’s email address which they provide us on the application document after the application period.

**Please make sure to prepare the same internet connection, equipment and room as the actual examination to attend the orientation.**

  5. Tuition fee is not required for international students supported by Japanese government (Monbukagakusho: MEXT) scholarships.

## 7. Personal Data Protection Policy

- (1) Personal information provided in the application package will only be used for the selection process. The personal information of the successful applicants will be used in the admission process; thus, enrolled students' personal information will be used for registration.
- (2) Results of the entrance examination and other personal information in the application package will be used in the screening process for the scholarship, admission fee exemptions, tuition waivers, etc.
- (3) Personal information provided in the application package and entrance examination may be used for statistical surveys and research regarding admissions at the university.
- (4) Personal information provided in the application package and entrance examination, unless specified in Article 9 of the Act on the Protection of Personal Information Held by Independent Administrative Agencies, etc., will not be distributed to third parties or used for purposes other than those mentioned above.

## 8. Consultation for Applicants with Disabilities

Nagasaki University has Support Center for students and applicants with disabilities.

Applicants with disabilities that would require specific arrangements for the examination or for learning are required to contact Student Affairs Division before submitting the application. Applicants will never be negatively treated in the screening process by the results of an advance consultation. Applicants may be required to submit documents describing detail of arrangement. Without consultation beforehand, the applicants may not be allowed to ask for arrangement.

## 9. Security Export Control

Nagasaki University regulates the export of goods and provision of technology subject to safety concerns, in accordance with the Foreign Exchange and Foreign Trade Act, so that the research and education for non-Japanese students do not impede international peace and safety; accordingly, prospective students should keep in mind that they may be requested to change the contents of research and education. For further inquiries, consult Student Affairs Division.

## 10. Notes and Cautions

- (1) Incomplete or erroneous application documents will not be accepted.
- (2) Any corrections will not be accepted in application documents after their submission.
- (3) Submitted application documents are non-refundable with no exception.
- (4) Applicants who declare false information on their application documents will be withdrawn from their courses even after the semester has begun.
