

April 1, 2017

Nagasaki University Graduate School of
Biomedical Sciences Doctoral Leadership Program
Program for Nurturing Global Leaders in
Tropical and Emerging Communicable Diseases

Program for Nurturing Global Leaders in Tropical and Emerging Communicable Diseases
Awardees of the Scholarship in 2017

These Scholarships are provided to excellent students to help them exclusively focus on their studies. Awardees in 2017 are listed below:

October 2013 enrollment (payable duration: April 2017 to September 2017)

Name	Laboratory	Year
Keisuke Yoshihara	Department of Tropical Pediatric Infectious Diseases	D4
Taeko Moriyasu	Department of Medical Helminthology	D4
Sharmina Deloer	Department of Medical Helminthology	D4
Satoshi Shimada	Department of Molecular Virology	D4
Juliann Nzambi Makau	Department of Molecular Pharmacology of Infectious Agents	D4

April 2014 enrollment (payable duration: April 2017 to March 2017)

Name	Laboratory	Year
Chantal Ama Agbemabiese	Department of Molecular Epidemiology	D4
Caroline Mwendwa Kijogi	Department of Immunology	D4
Tuan Hai Nguyen	Department of Tropical Microbiology	D4
Yuto Kegawa	Department of Medical Protozoology	D4
Jiun-Yu Jian	Department of Immunology	D4
Huy-Manh Dao	Department of Immunogenetics	D4
Yukiko Miyazaki	Department of Cellular and Molecular Biology	D4
Minh-Huong Phu Ly	Department of Molecular Virology	D4
Kwame Kumi Asare	Department of Medical Protozoology	D4
Sayuri Nakamae	Department of Immunology	D4
Farhana Mosaddeque	Department of Molecular Pharmacology of Infectious Agents	D4

October 2014 enrollment (payable duration: April 2017 to September 2017)

Name	Laboratory	Year
Olamide Kolawole Oloniyi	Department of Emerging Viral Diseases	D3

April 2015 enrollment (payable duration: April 2017 to March 2018)

Name	Laboratory	Year
Odsuren Sukhbaatar	Department of Immunology	D3
Evans Asena Chadeka	Department of Medical Helminthology	D3
Raoping Tu	Department of International Health	D3
Peterson Gitonga Mathenge	Department of Immunogenetics	D3
Khanjada Shahnewaj Bin Mannan	Department of Medical Helminthology	D3
Md Abu Musa	Department of Medical Helminthology	D3
Ben-Yeddy Abel Chitama	Department of Medical Protozoology	D3
Asuka Kumagai	Department of Molecular Pharmacology of Infectious Agents	D3
Mohammed Suliman Omer Tagod	Department of Molecular Pharmacology of Infectious Agents	D3

October 2015 enrollment (payable duration: April 2017 to September 2017)

Name	Laboratory	Year
Ezzan Saeed Mohammed Kunna	Department of International Health	D2
Sweta Koirala	Department of International Health	D2

October 2015 enrollment (payable duration: April 2017 to March 2018)

Name	Laboratory	Year
Mitsuko Hasegawa	Department of Medical Helminthology	D2

April 2016 enrollment (payable duration: April 2017 to March 2018)

Name	Laboratory	Year
Teerachat Sae-heng	Department of Clinical Product Development	D2

October 2016 enrollment (payable duration: April 2017 to September 2017)

Name	Laboratory	Year
Akintije Simba Calliope	Department of International Health	D1
Nattawat Chaiyawong	Department of Medical Protozoology	D1
Rajabali Zadeh Vahid	Department of Emerging Viral Diseases	D1
Pemba Mawonga Christelle	Department of Emerging Viral Diseases	D1
Pembi Emmanuel	Department of Immunogenetics	D1
Mukendi Kambala Jean Pierre	Department of Medical Helminthology	D1
Mpingabo Ilunga Patrick	Department of Emerging Viral Diseases	D1

April 2017 enrollment (payable duration: April 2017 to March 2018)

Name	Laboratory	Year
Mami Uchida	Department of Eco-Epidemiology and Epidemiological Informatics in Tropical Medicine	D1
Mio Tanaka	Department of Medical Helminthology	D1
Talaam Keith Kiplangat	Department of Medical Helminthology	D1
Sanjaadorj Tsogtsaikhan	Department of Immunology	D1
Mbaya Ntita	Department of Immunology	D1
Ryosuke Yamashiro	Department of Emerging Viral Diseases	D1
Yang Chao	Department of Emerging Vector Ecology and Environment	D1
