Detailed information: <http://www.tm.nagasaki-u.ac.jp/gcoe/>

**The 6<sup>th</sup> Nagasaki Symposium on Tropical and Emerging Infectious Diseases  
and  
The 11<sup>th</sup> Nagasaki Singapore Medical Symposium on Infectious Diseases**

It is our great pleasure to inform you **the 6th Nagasaki Symposium on Tropical and Emerging Infectious Diseases & the 11th Nagasaki-Singapore Medical Symposium** scheduled to be held at the Ryojun Auditorium, Nagasaki University School of Medicine, from December 10 to 12, 2012.

This year, 2012, is the final year of the Global COE program for research and education in tropical and emerging infectious diseases. The program has been supported by the Ministry of Education, Culture, Sports, Science and Technology (MEXT), Japan, since 2008. It is our hope that the symposium will provide an excellent opportunity for discussion on the recent academic progress made in the field of emerging and re-emerging infectious diseases.

**Date: December 10 Mon- 12 Wed, 2012**

**Place: Ryojun Auditorium, Nagasaki University**

Sakamoto 1-12-4, Nagasaki 852-8523, Japan

TEL: 095-819-7803 e-mail: [gcoe@tm.nagasaki-u.ac.jp](mailto:gcoe@tm.nagasaki-u.ac.jp)

**Keynote Speakers**

Date	Time	Speakers
Dec.10	9:45-10:30	William A Petri Jr. (University of Virginia, USA)
