

**Nagasaki University Graduate School of Biomedical Sciences
Doctoral Course (Three Years)
Application Information**

1. Departments and numbers of accepted students

Department	Number of applicants being accepted for Autumn 2024	Note
Department of Pharmaceutical Sciences	1	The number includes Nagasaki University Post Graduate Students. In case there will be vacancies in Spring, the number will be added.

※ Students who will have completed master courses at Nagasaki University by September 2024 and wish to progress to Nagasaki University Graduate School of Biomedical Sciences (Doctoral Course) should apply using “Application Information for Nagasaki University Post Graduate Students” from page 7.

2. Qualifications for application

Persons who meet the qualifications in any one of the following categories may apply for admission.

Non-standard applicants working in Japan must be employed at the time of entrance. Also applicants who do not have Japanese nationality (except those with a permanent resident in Japan) and meet one of the following qualifications may apply for admission.

- (1) Applicants who have a master degree or a professional degree or are expected to be conferred by September 2024.
- (2) Applicants who have a degree equivalent to master or professional degree or are expected to be conferred by September 2024 in countries other than Japan.
- (3) Applicants who have a degree equivalent to master or a professional degree after the completion of correspondence courses in Japan offered by an overseas university or are expected to be conferred by September 2024.
- (4) Applicants who have a degree equivalent to master or a professional degree after the completion of postgraduate courses in Japan offered by an overseas educational institution in Japan and completed additional courses specified by Ministry of Education, Culture, Sports, Science and Technology, or are expected to be conferred by September 2024.
- (5) Applicants designated by the Minister of Education, Culture, Sports, Science and Technology (Ministry of Education Report No. 118, 1989). Applicants who have graduated from a domestic university or who have completed a 16 year course of education overseas, in addition to having been engaged in research at a university or a research organization for at least two years after completion and with research results equal or superior to those with a master degree. (Required to submit documents nos. (1), (2), (3), (4), (5), (6), (7) and (8); see section 3. Pre-evaluation of applicant qualifications.)
- (6) Applicants over 24 years of age by September 30, 2024 and with the pre-evaluation results that have shown that they have academic abilities equivalent or superior to those with a master degree. (Required to submit documents nos. (1), (2), (3), (4), (5), (6), (7) and (8); see the section of 3. Pre-evaluation of applicant qualifications.)

3. Pre-evaluation of applicant qualifications

Applicants who meet the qualifications listed in (5) or (6) should submit required documents for the pre-evaluation. Applicants who are deemed to be qualified will be able to apply for the admission examination. However, applicants for international student examination are required to go through the pre-evaluation to confirm whether applicants are eligible to apply to doctoral course. Pre-evaluation of applicant qualifications is primarily done with the submitted documents, though some cases may involve an interview. If an interview is needed, notification will be sent directly to the applicants.

- (1) Deadline for documents submission for pre-evaluation of applicant qualifications:
Friday, June 7, 2024 at 5:00 PM
- (2) Mailing address for documents submission:
Nagasaki University Biomedical Sciences Administration Department, Student Affairs Division, Graduate School section

1-12-4 Sakamoto, Nagasaki 852-8523, Japan

(3) Results of the pre-evaluation will be sent directly to the applicants before the admission application period.

(4) Documents to be submitted:

The application manual is available at the Students Affairs Division and by mail. Please use the forms provided in the manual.

Non-standard				
International Student				

1. Applicants must be in the specified examination venue 30 minutes before the beginning of the examination.
2. Applicants must bring their admission examination tickets provided by Nagasaki University Graduate School of Biomedical Sciences.

7. Announcement of the results

Announcement date: Monday, August 19, 2024 at 10:00 AM

The successful applicants' application numbers will be posted on the official website of Nagasaki University Graduate School of Biomedical Sciences. The successful applicants will also receive a letter of acceptance by post. No information will be given over the phone.

8. Procedures for enrollment

The successful applicants should start enrollment procedures as follows:

- (1) Enrollment procedures period / opening hours

Friday, August 23 to Thursday, August 29, 2024 at 5:00 PM (Except weekends and holidays)

- (2) Venue for enrollment procedures

Nagasaki University Biomedical Sciences Administration Department, Student Affairs Division, Graduate School section. 1-12-4 Sakamoto, Nagasaki 852-8523, Japan

(3) Required fees for enrollment procedures

Admission fee: 282,000 yen

Required to be transferred as indicated in the Enrollment Procedures Handbook during the enrollment procedure period as above. Admission fees are non-refundable.

(Notes)

1. Tuition fee for 2023: 535,800 yen annually (267,900 yen per semester)
2. The period of tuition fee payment is in April and October.
3. If the amount of tuition fee is revised during the registration period, the revised amount will apply.
4. There is the system of admission fee and tuition fee exemption and payment postponement in Nagasaki University. For more details, please confirm it in the Enrollment Procedures Handbook.
5. Admission and tuition fees are not required for international students supported by Japanese government (Monbukagakusho: MEXT) scholarships.

9. Personal Data Protection Policy

- (1) Personal information provided in the application package will only be used for the selection process. The personal information of the successful applicants will be used in the admission process; thus, enrolled students' personal information will be used for registration.
- (2) Results of the entrance examination and other personal information in the application package will be used in the screening process for the scholarship, admission fee exemptions, tuition waivers, etc.
- (3) Personal information provided in the application package and entrance examination may be used for statistical surveys and research regarding admissions at the university.
- (4) Personal information provided in the application package and entrance examination, unless specified in Article 9 of the Act on the Protection of Personal Information Held by Independent Administrative Agencies, etc., will not be distributed to third parties or used for purposes other than those mentioned above.

10. Consultation for Applicants with Disabilities

Nagasaki University has Support Center for students and applicants with disabilities.

Applicants with disabilities that would require specific arrangements for the examination or for learning are required to contact Student Affairs Division before submitting the application. Applicants will never be negatively treated in the screening process by the results of an advance consultation. Applicants may be required to submit documents describing detail of arrangement. Without consultation beforehand, the applicants may not be allowed to ask for arrangement.

11. Security Export Control

Nagasaki University regulates the export of goods and provision of technology subject to safety concerns, in accordance with the Foreign Exchange and Foreign Trade Act, so that the research and education for non-Japanese students do not impede international peace and safety; accordingly, prospective students should keep in mind that they may be requested to change the contents of research and education. For further inquiries, consult Student Affairs Division.

12. Notes and Cautions

- (1) Incomplete or erroneous application documents will not be accepted.
- (2) Any corrections will not be accepted in application documents after their submission.
- (3) Submitted application documents are non-refundable with no exception.
- (4) Applicants who declare false information on their application documents will be withdrawn from their courses even after the semester has begun.
