

Nagasaki University Graduate School of Biomedical Sciences
Master Course (Two Years)
Application Information

I International Student Admission

1. Department and number of applicants accepted

Department	Number of applicants being accepted for Autumn 2026	Note
Division of Disaster and Radiation Medical Sciences	Medical Science Course (7)	In case there will be vacancies in Spring, the number will be added.

※ Division of Disaster and Radiation Medical Sciences is a cooperative major (Master Course) consisting of curriculum that Nagasaki University and Fukushima Medical University jointly provide. Those who complete this course will be granted Master Degree in the joint name of these two universities.

2. Qualifications for application

Applicants who do not have Japanese nationality (except those with a permanent resident permit for Japan) and meet one of the following qualifications may apply for admission.

- (1) Applicants who have completed 16 years of education in overseas educational institutions or are expected to complete by September 2026.
- (2) Applicants who have completed 16 years of correspondence courses in Japan offered by overseas universities, or are expected to complete those courses by September 2026.
- (3) Applicants who have completed 16 years of education in the courses offered in Japan by an overseas educational institution and completed the courses specified by the Ministry of Education, Culture, Sports, Science and Technology (MEXT) or are expected to complete those courses by September 2026.
- (4) Applicants who have a degree equivalent to Bachelor degree or are expected to be conferred by September 2026 by completing a course (*1) of more than 3 years at overseas universities or educational institutions (*2).

*1: completing corresponding course in Japan by the said overseas educational institutions or completing course at educational institutions authorized as educational institutions by the said countries and designated in the preceding item

*2: overseas universities or educational institutions which are evaluated by those who are approved by the said country's government or government's related institutions or which are designated by the Ministry of Education, Culture, Sports, Science and Technology of Japanese Government

- (5) Applicants who are enrolled at a domestic university for at least 3 years, or who have completed or are expected to complete a 15 years course of education in overseas by September 2026 and are considered by Nagasaki University Graduate School of Biomedical Sciences as having an outstanding academic record. (Required to submit documents nos. (1), (3), (4), (5) and (7); see the section 4. Pre-evaluation of applicant qualification.)

- (6) Applicants over 22 years of age by September 30, 2026 and are considered by Nagasaki University Graduate School of Biomedical Sciences that they have equivalent or superior to academic abilities of the university graduates at the pre-evaluation. (Required to submit documents nos. (1), (2), (3), (6) and (7); see the section 4. Pre-evaluation of Applicant Qualifications.)

*Applicants of the above (6) are graduates of junior college, technical college, vocational school and miscellaneous school.

3. Advance contact about application

Applicants who intend to apply for this course are required to submit Pre-evaluate application (the prescribed application form) to the following office via e-mail **by 5:00 pm (JST), Friday, March 6, 2026**.

Nagasaki University Biomedical Sciences Administration Department,
Student Affairs Division, Graduate School Section
Email: dai_med@ml.nagasaki-u.ac.jp

4. Pre-evaluation of applicant qualifications

Applicants who meet the qualifications listed in (5) or (6) in the previous section should submit required documents for the pre-evaluation. Applicants who are qualified by this will be able to apply for the admission examination. Pre-evaluation of Applicant Qualifications is primarily done with the submitted documents, though some cases may involve an interview.

If an interview is needed, notification will be sent directly to applicants.

(1) Deadline for submission of documents for pre-evaluation of applicant qualifications:

Wednesday, April 1, 2026 at 5:00 PM (JST)

(2) Mailing address for documents submission:

Nagasaki University Biomedical Sciences Administration Department,
Student Affairs Division, Graduate School Section
1-12-4 Sakamoto, Nagasaki 852-8523, Japan

(3) Results of the pre-evaluation will be sent directly to the applicants before the admission application period.

(4) Documents to be submitted:

(Prescribed forms)

- When applying, download and use the prescribed forms available on the Graduate School of Biomedical Sciences website. (<https://www.mdp.nagasaki-u.ac.jp/admission/fmu/recruitment/>)
- Do not alter the page width, margins, or table sizes from the original setting s in the Word template.
- Print out in “A4 size” and “single-sided printing” .

Document required	Description	Form No.
(1) Pre-evaluate application	Use the prescribed form Applicants who have already submitted this document for “Advance Contact about Application” are not required to submit it again.	M-(a) M-(a) 2

6. Orientation for Admission Examination (International Students Only)

Orientation for admission examination will be conducted as follows.

The attendance is mandatory.

The orientation will be conducted by using web conference system ‘Zoom’ .

The detailed information such as Zoom meeting ID will be sent to applicant’s email address which they provide us on the application document after the application period.

Please make sure to prepare the same internet connection, equipment and room as the actual examination to attend the orientation.

(1) Date and Time: Thursday, May 7, 2026 at 3:00 PM (JST) (About 10 minutes per person)

(2) Necessary Items:

- ① Room where the internet is available (Cable connection is preferable)
- ② PC or tablet which a camera and microphone are equipped with (11 inch or larger screen recommended)

7. Examination Outline

(1) Examination schedule and venue

Date and Time: Thursday, May 14, 2026 at 3:00 PM~ (JST)

Venue: Examination will be conducted using web conference system ‘Zoom’.

※Interview via the Internet or any other communication method may be conducted on Friday, May 15, 2026.

It will be judged by University.

(2) Examination procedure (International Student Admission)

Students will be selected based on their submitted documents and interview.

The minimum score for entrance is 60% and successful applicants will be determined in order of highest overall score.

However, as to applicants whose score for interview is 20% or less, result will be determined based on individual screening.

<Score allocation>

Admission Type	Screening of Submitted Documents	Interview	Total
International Student Admission	100	100	200

A) Screening of submitted documents (Medical Science Course)

The screening will be based on the “academic transcripts” and the “statement of reasons and goals for research”.

B) Interview (Medical Science Course)

Admission Type	Testing Time/Venue	Subject	Note
International Student Admission	3:00 PM ~ (JST)	Room prepared by each applicant	Interview Interview will be conducted in English.

NOTE:

1. Applicants must be connected to Zoom by 10 minutes before designated time at the latest.
2. Applicants must carry own admission examination tickets provided by Nagasaki University Graduate School of Biomedical Sciences.

(3) Handling of Make-up Examination and Re-Examination

Make-up examination will not be conducted for illness, injury, or accidents occurring on the way to the examination venue. However, re-examination may be conducted if any of the following unforeseen circumstances ① to ③ making it difficult to conduct the examination according to the original schedule occur. Please check our Graduate School website for details.

- ① Accidents or disasters involving regularly scheduled transportation affecting a significant number of applicants
- ② Unforeseen circumstances occurring after the examination has begun
- ③ Large-scale disasters, etc.

8. Misconducts

- (1) The following actions will be considered as misconduct. If you engage in misconducts, you will be instructed to stop the examination immediately and leave the room, and you will not be permitted to continue the examination. Furthermore, the scores for all subjects of the examination you took will be invalidated.

- ① Intentionally making false entries or registrations on the application form or admission examination ticket (e.g., attaching a photo of someone other than the applicant during application)
- ② Cheating (placing or viewing notes, copies, or other materials related to the examination on your desk, viewing the contents of textbooks, reference books, or other documents, receiving answers from other person, etc.)
- ③ Providing answers to other applicants or assisting other applicants in cheating.
- ④ Using electronic devices such as mobile phones, smartphones, wearable devices, tablet devices, electronic dictionaries, IC recorders, earphones, or music players during the examination.

※Earphones are considered in use if they are attached to the ears. (If you wish to use hearing aids, etc., during the examination due to illness, injury, or disability, you must apply for special accommodations.)

- ⑤ Failing to comply with the exam ending instruction, such as continuing to write answers.

(2) In addition to the above (1), the following actions may also be considered as misconduct. If applicant fails to follow instructions and is determined to have engaged in misconduct, the handling shall be the same as in (1).

- ① During the examination, possessing or carrying any auxiliary tools, electronic devices such as mobile phones, smartphones, wearable devices, tablet devices, electronic dictionaries, IC recorders, earphones, music players, etc., or books such as textbooks, reference books, dictionaries without storing them in a bag or similar container.
- ② During the examination, causing prolonged sounds from mobile phones, watches, etc. (such as ringtones, alarms, vibration sounds, etc.) that disrupt the progress of the examination.
- ③ Making false statements regarding the examination that would benefit oneself or other applicants.
- ④ Engaging in behavior that disturbs other applicants during the examination.
- ⑤ Failing to follow the instructions of proctors or other staff during the examination.
- ⑥ Any other actions that may compromise the fairness of the examination.

(3) Regarding misconduct during online examinations, in addition to the above (1) and (2), details will be explained during the 6. Orientation for admission examination. Please listen carefully.

9. Announcement of Results

Announcement Date: Friday, June 12, 2026 at 10:00 AM (JST)

The successful applicants' application numbers will be posted at the entrance of Nagasaki University Graduate School of Biomedical Sciences, as well as on the website of Nagasaki University Graduate School of Biomedical Sciences. (URL: <http://www.mdp.nagasaki-u.ac.jp>)

No information will be given over the phone.

10. Procedures for Enrollment

The successful applicants should start enrollment procedures as follows:

- (1) Enrollment procedures period

From Thursday, June 18 to Wednesday, June 24, 2026 by 5:00PM (JST)

(Documents must arrive within this period.)

(except weekends and holidays)

- (2) Venue for enrollment procedures

Nagasaki University Biomedical Sciences Administration Department, Student Affairs Division, Graduate School Section.

- (3) Required fees for enrollment procedures

Admission fee: 282,000 yen

Required to be bank transferred by using the designated bank transfer form in the Enrollment Procedures Handbook during the enrollment procedure period as above. Admission fees are non-refundable.

(Notes)

1. Tuition fee for 2025: 535,800 yen annually (267,900 yen per semester)
2. The period of tuition fee payment is in April and October.
3. If the amount of tuition fee is revised during the registration period, the revised amount will apply.
4. There is the system of admission fee and tuition fee exemption and payment postponement in Nagasaki University. For more details, please confirm it in the Enrollment Procedures Handbook.
5. Admission and tuition fees are not required for international students supported by Japanese government (Monbukagakusho: MEXT) scholarships.

11. Supplementary Success

If there are vacancies for enrollment because of declination by the successful applicants and etc., it will be filled as supplementary success from a waiting list for admission. Therefore, even though an applicant failed the entrance exam, he / she must be reachable and ready to reply their intention about admission.

Acceptance letter for supplementary success will be sent to the postal address given in their application documents by post etc. No information will be given over the phone.

12. Additional Applications

Additional applications might be taken if the number of students by supplementary success is insufficient. In this case, the examination dates will be informed on the website of Nagasaki University Graduate School of Biomedical Sciences.

13. Personal Data Protection Policy

- (1) Personal information provided in the application documents will only be used for the selection process. The personal information of the successful applicants will be used in the admission process; thus, enrolled students' personal information will be used for registration.
- (2) Results of the admission examination and other personal information in the application documents will be used in the screening process for the scholarship, admission fee exemptions, tuition waivers, and for purposes related to academic affairs.
- (3) Personal information provided in the application documents and admission examination may be used for statistical surveys and research regarding admissions at the university.
- (4) Personal information provided in the application documents and admission examination, unless specified in the Act on the Protection of Personal Information, will not be distributed to third parties or used for purposes other than those mentioned above.

14. Consultation for Applicants with Disabilities

Nagasaki University has Support Center for students and applicants with disabilities.

Applicants with disabilities that would need specific arrangements for the examination or for learning are required to contact Student Affairs Division before submitting the application documents. Applicants will never be negatively treated in the screening process by the results of an advance consultation. Applicants may be required to submit documents describing detail of arrangement. Without consultation beforehand, the applicants may not be allowed to ask for arrangement.

15. Security Export Control

Nagasaki University regulates the export of goods and provision of technology subject to safety concerns, in accordance with the Foreign Exchange and Foreign Trade Act, so that the research and education for non-Japanese students do not impede international peace and safety; accordingly, prospective students should keep in mind that they may be requested to change the contents of research and education. For further inquiries, consult Student Affairs Division.

16. Notes and Cautions

- (1) Incomplete or incorrect application documents are not acceptable.
- (2) Any corrections in application documents are not acceptable after submission.
- (3) Submitted application documents will not be returned with no exception.
- (4) When an applicant cannot start the interview at the designated time, he / she shall be deemed as abstaining from the examination.
- (5) Applicants who give false information on their application documents will be withdrawn from school admission even after the semester has begun.

17. Contact regarding the Admission Examination

Nagasaki University Biomedical Sciences Administration Department,
Student Affairs Division, Graduate School Section
1-12-4 Sakamoto, Nagasaki 852-8523, Japan
Telephone: +81-95-819-7009 Email: dai_med@ml.nagasaki-u.ac.jp

Regarding the disclosure of the admission examination results
(Nagasaki University Graduate School of Biomedical Sciences)

We, Graduate School of Biomedical Sciences, disclose the results of the admission examination for academic year 2026 upon request by applicants.

1. Request period

Applicant's category		Examination period	Request period
Accepted for October 2026	International Student Admission	May 2026	From Friday, June 12 to Thursday, July 2, 2026

- ※ As to applicants who send the documents by mail, please note that it has to arrive at the office no later than Thursday, July 2.
- ※ As to applicants who request directly, please come to the office between 9:00AM and 5:00PM(JST) (except weekends and holidays)

2. Requester

Only applicants are allowed to request the disclosure of the admission examination results.

3. How to request

【Submitting directly】

Submit the “Request form for the disclosure of the admission examination results (Attachment 1)” to the office of Nagasaki University Biomedical Sciences Administration Department, Student Affairs Division, Graduate School Section while showing admission examination ticket.

Within 14 days after we receive the documents, we will give the results of the admission examination at the office (Applicant is required to show the admission examination ticket when receiving the results.)

【Sending by mail】

Send the required documents below to the following address.

Within 14 days after we receive the documents, we will send the results of the admission examination by registered mail.

Required documents:

- ①Request form for the disclosure of the admission examination results (Attachment 1)
- ②Admission examination ticket (It will be sent back to an applicant with the results of the admission examination.)
- ③Return envelope (Write postal code, address and name on small envelope (H 23.5 cm x W 12 cm) and attach the postage stamps equivalent to 460 yen to it.) ※Applicants living in Japan only

Mailing address:

Nagasaki University Biomedical Sciences Administration Department,
Student Affairs Division, Graduate School Section
1-12-4 Sakamoto, Nagasaki 852-8523, Japan

4. Disclosed contents

Score of the interview examination, overall score, and rank are disclosed.
